Getting To Blachford:

The lodge is the only fly-in wilderness resort on Blachford Lake, which is a remote 17 kilometre (12 mile) lake. The lodge is a 25-minute plane flight from Yellowknife, located on the East Arm of Great Slave Lake.

Accommodations & Facilities:

Accommodations at Blachford Lake Lodge include guest bedrooms in the main lodge – all include daily housekeeping, towels, and down duvets. Our main lodge facilities include a dining room, conference room, Aurora-viewing lounge, bar, full kitchen, showers and full bathrooms, fireplaces, sauna, hot tub, and open decks for Aurora viewing – all the amenities of a “world-class” lodge. Our hot tub is the perfect place to sit back in the evening and watch the Aurora dance overhead

The bathrooms in the lodge are shared, with hot showers and high-tech composting toilets. Being so far from town, we have to create/supply all our own electricity, water, heating and waste/garbage disposal.

### Activities:

Winter outdoor activities include cross-country skiing on 20 kilometres of groomed trails, snowshoeing, sliding, ice skating, ice fishing, fat-biking, kick-sledding and snowmobile tours (at an additional charge). Strap on your snowshoes, or stick to your winter boots and try to spot some northern wildlife. Spend your evenings relaxing relax in our cozy lounge areas, relax in the sauna, or kick back in our hot tub.

Fishing licenses must be purchased prior to your arrival at Blachford Lake Lodge. If you'd like to try ice-fishing during your stay, please visit: <https://licences.enr.gov.nt.ca/>
